ICTERRA

Excellence in Software Engineering

**25+ years**

International | Multi-cultural
Multi-disciplinary
Project Experience

## ABOUT ICTERRA

ICterra is a Software Engineering Company with 200+ software professionals and offices in Ankara, İstanbul, London, Munich.

We combine more than 25 years of software development experience with technology expertise and proven methodologies to provide Software Solutions to our customers. We have been building long lasting strategic partnerships with our customers across multiple industries such as Aviation, Defense, Energy, Medical, and Telecommunications.

# ELECTRONIC WARFARE

Detailed know-how on the following topics after completing several projects in Electronic Warfare domain successfully:

- **Electronic Intelligence (ELINT)**
- **Electronic Support**
- **Mission Data Analysis**
- **Broadcast Data Analysis**
- **Broadband/Narrowband Signal Analysis**
- **Analyzing and monitoring Electronic Warfare System data**

Software development activities

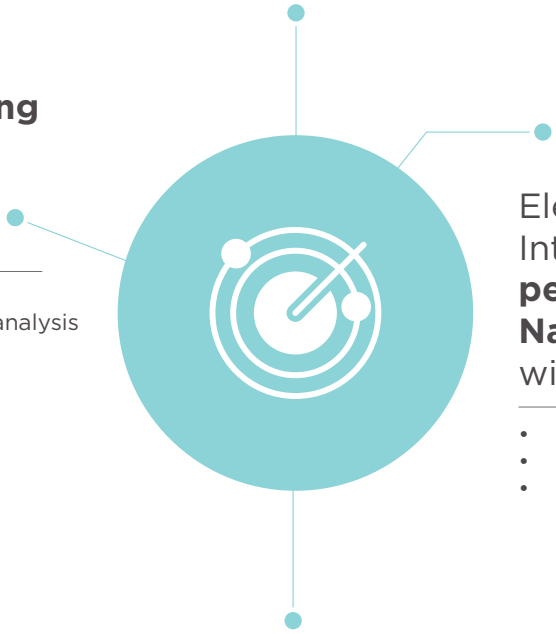
- **Agile development strategies with scrum methodologies**
- **Full software development life cycle**

## **Event record analyzing experience** in multiple systems and subsystems

- Radar Electronic Support Electronic Attack
- Communication Electronic Support Electronic Attack
- ESM/ELINT(Electronic Support Measure / ELectronic INTelligence)
- MELINT(Mobile ELectronic INTelligence)

## **Experience in monitoring and analyzing** HF and V/UHF communication data

- Broadband offline data analysis
- Narrowband online/offline data analysis



## Electronic Support User Interface Software **performing Broadband** and **Narrowband Signal** Analysis with its additional capabilities

- Detection
- Detailed detection
- Data sharing

## Software test activities

- In-house test activities conducted with the simulators developed by ICterra

- Regression and Confirmation test approaches applied to each release during the project development life cycle

- Functional and Non-Functional Tests are performed in the scope of Integration Test activities
